

Services for

# RURAL HEALTH CLINICS and FEDERALLY QUALIFIED HEALTH CENTERS

The rural healthcare delivery system is a complex industry requiring constant fiscal monitoring and administrative knowledge. Dixon Hughes provides audit, tax and consulting services designed for rural health clinics and Federally Qualified Health Centers (FQHCs) to give you the guidance you need to better manage your organization.

## **Audit**

Objectivity and efficiency are key to our audit philosophy. Our auditors are trained and supervised by experienced CPAs. We strive to provide quality service in accordance with the high standards of the American Institute of Certified Public Accountants. Your audit team will work closely with a team of professionals who have years of healthcare experience providing audit services to rural health clinics and FQHCs.

## **Cost Report Reimbursement Consulting**

To assist clients in recognizing reimbursement opportunities, we consult in areas such as cost report preparation, reimbursement review services, audits and appeals. Annually, Dixon Hughes professionals prepare more than 250 cost reports for rural health clinics, FQHCs, hospitals, nursing homes, home health agencies, hospices and rehabilitation companies.

## **New Practice Startup Process Advising**

We provide a wide range of advisory services for the new practice startup process, including producing feasibility studies and developing an accounting system. We pull from a depth of experience to provide you with loan guidance, business valuations, budgets, forecasts and projections. Dixon Hughes professionals can help with the organizational development needs of a new facility, including incorporation, bylaws, and policies and procedures.
