

The Behavior Resources Group of Dixon Hughes

ORGANIZATION AND LEADERSHIP DEVELOPMENT

The Behavior Resources Group of Dixon Hughes is dedicated to helping organizations of all sizes become more effective, productive and profitable through improved utilization of their most valuable resource—people.

We build our services on the philosophy that success can be achieved only through a partnered relationship of both individual and organization effectiveness. From a solid background and extensive knowledge of psychology, organization development and human resources, we tailor our services to help both organizations and individuals become more effective in a changing workplace.
